Dear Vanguard Classical School Families:

As we continue to monitor the COVID-19 situation, and now with school closures that will continue until at least April 20<sup>th</sup>, I wanted to provide you with another VCS status update. As always, the safety of VCS students, staff, and families is our primary concern and all decisions that have been made or have yet to be made are focused on this most basic expectation.

In conjunction with Aurora Public Schools, we are working hard to roll out a remote learning plan for all 1100+ VCS East and West students. We currently anticipate that this remote plan will be finalized by Thursday March 26<sup>th</sup> for roll out on Monday, March 30<sup>th</sup>. We will continue to update you over the next 10 days as the remote educational plan takes shape.

One thing that would be extremely helpful for the VCS Leadership Team is for you to respond to the survey that we sent out today regarding your current family computer and internet resources. This will greatly aid us in determining the specifics of our remote educational plan.

Thank you for your attention to this request. We will continue providing information regarding the continuation of VCS K-12 education.

Practice Social Distancing and Stay Safe,

Jay Cerny,  
Executive Director, Vanguard Classical School
