Core Knowledge is also updating its Core Knowledge History and Geography units (CKHG) and will be updating more of their curriculum. The Board requested access to additional information prior to approval, but discussed the Directors' VCS plan and costs for its use, extensively.

Directors also distributed a proposed Salary Schedule for VCS employees and a comparative chart of salaries at other charter schools for Board review. It was recommended that, also under consideration, should be the number of days spent per year. The Board requested a 5 year progressive chart of recommended salaries. Approval of the Salary Schedule will be sought at the next Board Meeting.

Old Business

The League of Charter Schools Conference is next week on March 1&2, 2018 and most Board members will be attending.

The Board will be setting up a Work Session in the near future to update the VCS Service Contract in an effort to make it more transparent. It was recommended that we obtain service contracts from other charter schools, which use service contracts from business management companies.

New Business

Chris Jensen distributed a sample policy that can be used for the two board policies that need to be approved at the next meeting per the Student Data Transparency Act, HB 16-1423. This is a law that requires all third party vendors that collect data on students, personal identifying information (PII) to follow certain parameters to protect this information, if they are to continue to work with any Colorado School. One is the board policy regarding this law and the other is a grievance policy for parents, if there is a breach. Both were distributed to board members so they could review it for the next meeting to allow for votes of approval.

Under Colorado Revised Statute 24-6-402(4)e(I), Judy Ham announced the need to go into Executive Session during this meeting to consider personnel issues. A motion to enter the Executive Session at 6:35 PM was made by Sherry Eastlund and seconded by Chris Jensen.
